(to be completed by student)

**Intern:** \_\_\_\_\_

**Placement:** \_\_\_\_\_

**Semester:** \_\_\_\_\_

Please answer the following questions in as much detail, providing as many examples as possible, and return this form, along with your final journal and timesheets, to Professor Durkin no later than April 29, 2009. Please be candid in assessing your experience at your placement site. The School of Law does not share your comments with your supervising attorney(s).

## PLACEMENT

1. Were you treated as a fellow professional by the attorneys at your site?

2. Were you given enough work to keep fully engaged?

What kind of lawyering tasks did you engage in at your placement? (Include both in-court and out-of-court activities, providing as many examples and as much detail as possible.)

What kinds of activities and/or proceedings did you observe?

3. Were there other tasks you would have liked to engage in or activities and/or proceedings that you would like to observe? (Please provide examples.)

4. Were you given sufficient guidance in your assignments?

5. Was your written work reviewed by your supervising attorney in a timely and meaningful way?
  
6. Did your supervising attorney offer specific and helpful feedback on your performance and/or work product?
  
7. Do you recommend that the Law School continue to place students in this placement/with this supervisor in the future? Why, or why not?
  
8. What skills do you feel you have improved through participation in the externship?
