IMPORTANT INFORMATION

FINAL EXAMINATIONS

As final examinations approach, all students should take a few minutes to review the Law School rules relating to examinations. These rules may be found in §607-609 of the Academic Code and §203-205 of the Dean's Office Regulations.

According to §607(f)(l) of the Code, all examinations are graded anonymously. **Students should not discuss the examination process, including the possibility of exam deferral or exam accommodation with faculty members. Any attempt by a student to identify himself/herself to a professor by placing notes or messages on an examination or exam booklet compromises the anonymous grading system. All questions should be directed to the Dean of Students Office or the Registrar's Office. Any compromise of the anonymous grading system by a student constitutes a violation of the Code of Conduct and could result in suspension or expulsion.**

Permission to defer an examination will be granted only in extreme cases. Students should refer to the guidelines. Emergency deferrals will be granted to those students who, for medical reasons, are unable to sit for an examination when scheduled. A student who becomes ill and cannot take an examination when scheduled must call the Registrar's Office before the examination begins. If that student cannot appear in person or call the Registrar, he/she may miss the exam and apply for a deferral. An application for this type of deferral must be made within 48 hours of the original exam date and in no event later than the last day of regularly scheduled exams. The student must also provide the Registrar's Office with a letter from the attending physician which confirms that the student was unable to sit for the examination due to illness.

GOOD LUCK ON FINAL EXAMS!
