

## *2008 February Bar Information*

Enrolling in a Bar Review course **does not** enroll you to take the bar exam. You must complete a separate application to take the bar exam. The following table lists the application information for the most popular exam states for this region. Application information about all states may be found in the BAR/BRI Digest (available in the Bar Programs Office/Office of Student Affairs, located to the right of the library) or by accessing the BAR/BRI web site at [www.barbri.com](http://www.barbri.com).
